

A topographic map showing terrain contours, water bodies, and various nature zones. The map is overlaid with a grid of vertical lines. A central text box contains a warning in Danish. The nature zones are represented by different colors and patterns: yellow with dots, green, blue, and red with vertical stripes. There are also some areas with black and white patterns.

**Bemærk venligst at kortet  
er en gammel version.  
Naturzonerne er  
gældende fra 2010**
